S1.5

S1.5

A seamless sonic match for any high-performance stereo or multi-channel system in a medium to large living space.

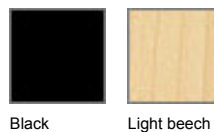

DALI S1.5 features a 15" long-throw woofer with heavy-duty voice coil and rigid pulp cone driven by a 300 Watt (RMS) / 600 Watt (peak) amplifier for virtually unlimited dynamic range and stunningly natural deep bass.

SPECIFICATIONS

Frequency range (+/- 3dB) [Hz]:	25,0 - 140,0
Maximum SPL [dB]:	119,0
