EVIDENCE 370

Designed for bookshelf or stand mounting, the Evidence 370 features a custom-made 6 1/2" woofer/midrange unit and a coated silk dome 3/4" tweeter.

The correctly tuned bass reflex enclosure has two bass vents on the front panel, enabling you to place Evidence 370 flush against a rear wall without blocking the bass vents. Evidence 370 is genuine Hi-Fi whether used as stereo speakers or as rear speakers in a high-end surround system.

The Evidence 370 is developed, designed, Hand-built, assembled and individually tested at the DALI factory in Denmark.
