

IN ADMIRATION OF MUSIC

MENTOR LCR

MENTOR LCR (Left/Center/Right) is the ideal all-round speaker for stereo use or as front, rear and center speaker in an ultra-compact, high performance surround speaker system.

Fitted with a driver array similar to the MENTOR 1, the LCR ribbon tweeter can be turned 90 degrees, allowing you to mount the speaker vertically or horizontally.

Available in black or white lacquer finish, the MENTOR LCR will enhance the beauty of any flat screen television.

MENTOR LCR is factory-fitted with an integral wall bracket. All that is required for secure wall-mounting is two screws in the wall, demonstrating once again that with DALI you can have convenience and ease of use without sacrificing performance.

SPECIFICATIONS

Frequency range (+/- 3dB) [Hz]:	45,0 - 34.000,0
Sensitivity (2,83 V/1 m) [dB]:	86,0
Nominal impedance [ohms]:	6
Maximum SPL [dB]:	106,0
Recommended amplifier power [W]:	20,0 - 120,0
Crossover frequencies:	3.000 / 12.000
Hybrid tweeter module, Super high frequency driver: Ribbon	
High frequency driver:	Soft textile dome
Low frequency driver:	Wood fibre cone
Enclosure type:	Bass reflex
Bass reflex tuning frequency [Hz]:	47,0
Connection input(s):	Single wire
Recommended placement:	On-Wall; Above/below TV/Screen
Loudspeaker type:	Front; Rear; Surround; Center
