

IN ADMIRATION OF MUSIC

PIANO AMBIENT

The PIANO AMBIENT was designed as the on-wall option for the PIANO Series or the rear in a surround system. They produce sound honestly and accurately.

Equipped with custom-made 4" woofer/midrange unit and a 1" soft dome tweeter, PIANO AMBIENT is capable of the full range and the depth and imaging that yields the full experience of an front On-Wall speaker or rear/side surround speaker. The softest details are presented with the same respect as the echo of an explosion in an action movie.

In the words of Nanjo Motwani, M.D. from DVD ETC. (US):
"The Ambients do an admirable job of filling in the rear information without drawing attention to themselves, which is what a good effects speaker does."

SPECIFICATIONS

Frequency range (+/- 3dB) [Hz]:	65,0 - 24,0
Sensitivity (2,83 V/1 m) [dB]:	87,0
Nominal impedance [ohms]:	4
Maximum SPL [dB]:	105,0
Recommended amplifier power [W]:	40,0 - 80,0
Crossover frequencies:	2.300
High frequency driver:	Soft textile dome
Enclosure type:	Closed box
Connection input(s):	Single wire
Recommended placement:	On-Wall
Loudspeaker type:	Rear;Surround

AVAILABLE FINISHES
