

IN ADMIRATION OF MUSIC

PIANO NOBLE

The PIANO NOBLE is the largest floorstanding model in the PIANO Series - with modest dimensions of only 19 cm/7.6 inches wide and 116 cm/45.6 inches high.

Looking at the NOBLE, one could be led to think that this is all about good looks and "lifestyle" feel.

Although the Noble is finely finished in an extruded aluminum enclosure with a sculptural granite base - it is much more than just good looking. You can get good looks and similar design at much lower prices than the PIANO series - the difference is the sound.

The NOBLE comes with 2 x custom-made 5" woofer/midrange units and a 1" soft dome tweeter, and is able to produce sound far larger and more detailed than what one is accustomed to in similar speakers, either as stereo speakers or front speakers in a surround system.

SPECIFICATIONS

Frequency range (+/- 3dB) [Hz]:	41,0 - 24.000,0
Sensitivity (2,83 V/1 m) [dB]:	89,5
Nominal impedance [ohms]:	4
Maximum SPL [dB]:	109,0
Recommended amplifier power [W]:	40,0 - 160,0
