PIANO VOCAL

The PIANO VOCAL is the center speaker option for your PIANO surround system. Designed in the shape of the grand piano the Vocal delivers not only a discreet and good-looking center speaker but also a clear and crisp sound.

With custom-made twin 4.5" woofer/midrange units and 1" soft dome tweeter, PIANO VOCAL lives up to what a demanding listener should expect from a center speaker.

The PIANO VOCAL is developed, designed, hand-built, assembled and individually tested at the DALI factory in Denmark.
