# DALI Photo Library

Library: [dali.photoshelter.com](https://dali.photoshelter.com)

Password: **dali**

Go to [dali.photoshelter.com](https://dali.photoshelter.com). Locate DALI product photos and interior shots in the 'Galleries' tab in the top menu. This leads to an overview of gallery folders with DALI related content.

1. The 'DALI Products' folder contains everything related to DALI products
2. The 'Logo' folder contains different formats of the DALI logo
3. The 'DALI Factory' folder contains official company images
4. The 'Awards' folder contains award logos

When asked for a password during download, use '**dali**'. To access the folders 'DALI Factory' and 'Awards' please contact [online@dali.dk](mailto:online@dali.dk).

## How to download a single file

1. Choose an image
2. Click Download in the left pane
3. Enter password: '**dali**'
4. Choose file format and size
5. Or choose 'Original File' to download TIFF (for large prints)

## Download several files from one folder\*\*

1. Click on a gallery
2. In the upper right corner a 'Download' link appears. Click it.
3. Enter password: '**dali**'
4. Select all your preferred images (CTRL + Left Mouse Click) + click 'Continue'
5. Select file format from the drop-down menu + click 'Continue'
6. A download link appears. Click to download
7. Or copy/paste it into an email for sharing. When the recipient clicks the link, the download will start immediately.

\*\* Note: It is only possible to download several images from one single folder at the time. Repeat this process for every folder, you wish to download multiple files from.
